

## 2008 Season Summary

Spring Bears: 39 hunters harvested 23 bears, some wounds and misses. An overall dismal hunt for our standards.

Fall Maine Bear: 18 hunter's harvested 10 bears had 3 wounds and 2 misses. 15 out of 18 hunters shot. The average weight was 190 pounds. Another great average for Maine. Everybody saw bears.

New Brunswick Fall (archery only): 17 hunters harvested 12 bears. We shot at 24 bears, wounded 6 and missed 6. Some really nice mature bears were taken. Great numbers once again.
