Spring Bear, 385 lbs. 19 1/4" P&Y

Trophy bear and moose in Maine and New Brunswick, Canada.

We specialize in trophy black bear hunts in Maine and nearby Northern New Brunswick Canada. We have been in business since 1993. We offer fall hunts in Maine (firearms or bow). Our Canadian bear hunts are done in the spring (firearms or bow) during prime rut time. Fall hunts in Canada are archery only hunts. Hunting is done all over very active bait sites. We are located in the northern most town in the lower 48, along the St John River which separates Maine and New Brunswick Canada.

We also offer moose hunts in Maine in zone 3 and New Brunswick in zones 2 & 3. All moose tags are obtained by you through a lottery. See below for contact information. Keith and his personnel do their best to make your hunt and stay a safe, successful and memorable outdoor experience. We keep our clientele numbers down weekly to keep it personal and successful. Atv's are welcomed on both sides of the border. We are fully licensed and insured in both Maine and Canada. This is a full time business, not a sideline.
