Spring Bear, 385 lbs. 19 1/4" P&Y

Trophy bear and moose in Maine and New Brunswick, Canada.

We specialize in trophy black bear hunts in Maine and nearby Northern New Brunswick Canada. We have been in business since 1993. We offer fall hunts in Maine (firearms or bow). Our Canadian bear hunts are done in the spring (firearms or bow) during prime rut time. Fall hunts in Canada are archery or firearms including crossbows. Hunting is done all over very active bait sites. We are located in the northern most town in the lower 48, along the St John River which separates Maine and New Brunswick Canada.

We also offer moose hunts in Maine in zone 3 and New Brunswick in zones 2 & 3. All moose tags are obtained by you through a lottery. See websites for applications (N-B D.N.R and Maine Fish and Wildlife). New Brunswick bear licenses are obtained through me upon arrival for your hunt. Maine bear licenses are obtained online on the MF&W site. Keith and his personnel do their best to make your hunt and stay a safe, successful and memorable outdoor experience. We keep our clientele numbers down weekly to keep it personal and successful. Atv's are welcomed on both sides of the border. We are fully licensed and insured in both Maine and Canada. This is a full time business, not a sideline. All of our hunts are fully guided with lodging and meals included. Look at our [website](#) for all the information. See our [FAQ](#) page.

Hunting Packages & What's Included

New Brunswick Bear Hunts

Spring hunts are the last week of May, 1st 3 weeks of June. These are prime rut hunts. You can use firearms or bow. Fall hunts are the first 3 weeks of September. I only take 6 clients per week. Hunts are conducted on over 4 million acres of virgin bear country in the northern most area of New Brunswick Canada, No other outfitters. Truly trophy bear hunting over bait. We weigh every bear we kill and keep script records of harvests. Our average weight is between 170-210 lbs. A lot of that is determined by you the hunters. You have to let immature bears walk away to get to the big ones. We run an average of 100% on shot opportunities, and around 80-90% on kills. We advocate the taking of mature bears only. Absolutely no sows with cubs are harvested. We provide your license for you when you arrive. We do all necessary paperwork to get you and your weapons in and out of Canada. Even crossing your bear back into US is not a problem. Crossing into Canada is a smooth transition with us. If you are a U.S. citizen just bring a copy of your birth certificate and drivers license. If you have a passport bring it. Call for pricing. Second bear tags are available.

Maine Bear Hunts

Fall hunts only. We hunt private farm country. Firearms or bows. Fully guided, lodging and meals included. State average is around 32% success over bait. We run around 60% success. Call for pricing.

Moose Hunts in Maine

Truly trophy moose hunting in zone 3. We own our own farm and plant over 20 acres of food plots for moose. We also hunt many other private farms. We concentrate in zone 3 only. We hunt over food from comfortable shooting houses and spot and stalk. Calling techniques are also used. All tags are obtained by you through a lottery system. Contact Maine Fish and Wildlife on the web for details. The majority of moose hunting in Maine is done by riding roads on paper company land and shooting moose from trucks. This is not how we hunt. Be prepared for a traditional moose hunt with Sportsmans Pride. We harvest only mature animals. Meat processing is also arranged through us. Price: bull only hunts \$4500.00 plus license Cow only hunts \$2000.00 plus license Hunts are fully guided, lodging, meals, turn key hunt.

Moose Hunts in New Brunswick
